Acting Chief, Finance Division

Deputy Comptroller

General Ledger Account No. 600.8 - Current Costs--Other Project Costs

1. The title and description of the subject account has been revised as indicated in the attachment.
2. The purpose of this revision is to provide that amounts of advances and other receivables due from former Agency employees will be recorded therein when such amounts are accounted for or are written-off as being uncollectible.
3. This account, as revised, will be included in the Manual of General Ledger Accounts for the Finance Division when it is next revised.
